THE COUNTY FINANCES.

The figures regarding the County finances, as presented by Mr. Withersell, are correct as far as they go, but they mislead the public into the idea that there was, on the first of the month, but \$2408.55 in the County Treasury.

On May first the Treasurer's report showed a balance in the Treasury of \$12,215.60, as follows:

State Fund.....	\$ 645 47
General Fund.....	1891 65
Salary Fund.....	516 93
County School Fund.....	45 71
Indian School.....	1 58
Agricultural Ass'n.....	326 05
State School Dist No 1.....	2029 07
" " " " 2.....	444 66
" " " " 3.....	380 03
" " " " 4.....	166 85
County School No 1.....	3744 57
" " " " 2.....	1194 82
" " " " 3.....	463 75
" " " " 4.....	425 83

Total.....\$12,215.60

Minus an overdraft of \$58.75, by Agricultural Fund No. 1, leaving a balance of \$12,215.60.

Since then about \$1,000 has been paid in for license and more licenses and personal property tax is being turned in.

The idea of Republicans, seems to be, to show that the Silver party found a bill Treasury and have gutted it in six months.

There was a balance in the Treasury January 1, 1893, of \$19,776.13. There is now after five months running the county \$12,215.60.

If there is any trouble with county money, it lies at the door of the Republican Board of Commissioners who lowered the tax rate so that the taxes collected are insufficient to leave a proper margin for business.

The APPEAL believes that the manipulators saw the hand writing on the wall, that the Republican party would be wiped out in Ormsby and they lowered the rate so as to leave office in a blaze of glory.

Next year the rate will have to be raised and this will give their organs a chance to howl. The public may as well understand the matter now as any time.

SENATOR JONES' OPINION.

Senator Jones told a New York Press reporter the other day that he did not anticipate the repeal of the Sherman silver purchase act when congress meets in the fall. "If the law is repealed," he said "without something to take its place you will see one of the biggest panics this country has ever experienced. If you undertake to shorten the supply of money in face of the financial stringency that exists today disaster will surely result. It is, perhaps just as well that the international monetary conference has been postponed until November. By that time, perhaps, the advocates of a single gold standard will have learned some wisdom. The world is being treated to an object lesson in the present financial troubles which ought to bear good fruit. Let us hope so anyway."

It will perhaps be inspiring to our patriotic feelings to learn that an organization has been formed in San Francisco which is incorporated under the name of the "Chinese Native Sons of the Golden West." It is composed of Chinese young men who were born in California, and Ah Gow has been elected Grand President.

The editor of a Fort Dodge, Iowa, paper, is in trouble. After succeeding in making himself believe that he was forming the opinions of the world he tried to correct the habits of his female typesetters, and ordered them to go to bed at 9 o'clock. The paper has not been issued since.

Baron Liebig, the German chemist, says that as much flour as will lie on the point of a table-knife contains as much nutritive constituents as eight pints of the best beer made. This shows that in order to get any real benefit out of beer you should drink about 30 glasses a day.

Sarah E. Sharp is suing H. B. Sharp for divorce. They were formerly connected with Ormsby House.
